

DECLARATION OF COMPLIANCE

FOR FOODSTUFF AS BEVERAGES

The manufacturer Oprema d.d. hereby declares that the coolers

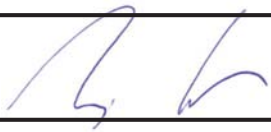

<i>Product</i>	<i>Model</i>
<u>COOLING AND DISPENSING UNIT</u>	JUICE M I 31

are manufactured under GMP (Good Manufacturing Practice) 2023/2006/EC, regarding manufacturing good practice of materials and other components of module that are in direct contact with foodstuff according to European Regulation EC No. 1935/2004.

All this is in accordance to the specified requirements for a food safety management system ISO 22000:2018 and based on HACCP principles.

Plastics in contact with food are required to meet the requirements of Regulation EU 10/2011, "On plastics materials and articles intended to come into contact with food".

The migration test is made according to Council Directive 1998/83/EZ, as well as the Ordinance of compliance parameters and methods of water analysis for human consumption according to Council Directive 1998/83/EZ. Microbiological tests are in accordance with Regulation EZ no. 852/2004 and EZ no.2073/2005.

<i>Position</i>	<i>General Manager</i>
<i>Print name</i>	<i>Mr. Domagoj Cvetko mag.oec.</i>
<i>Signature</i>	
<i>Date:</i>	04.07.2022.
